

License information

Thank you for choosing **ZenOps Studio**!

We appreciate your trust in our products and are committed to providing high-quality digital resources that help creators, designers, developers, agencies, and businesses build exceptional projects.

This document provides a general overview of your license. It is intended as a helpful guide and should be read together with the official **ZenOps Studio Terms of Use** and the applicable license associated with your download.

License Types: Free License

Resources downloaded under the Free License may be used for personal and commercial projects, subject to the license restrictions.

Unless otherwise stated on the product page, attribution is required. Attribution should clearly identify ZenOps Studio as the original source and, where technically possible, include a link to: <https://zenops.studio>

Failure to provide the required attribution may constitute a violation of the Free License.

Pro License

Resources downloaded under the **Pro License** include expanded usage rights and do not require attribution.

A Pro License generally permits broader commercial usage, including client work, marketing materials, websites, applications, branding projects, social media campaigns, presentations, and other approved commercial uses, subject to the applicable license terms.

Each purchased license is granted to the purchaser and may not be transferred, shared, sublicensed, or redistributed except as expressly permitted.

Permitted Uses

Unless specifically prohibited by the applicable license, you may use ZenOps Studio resources in:

- Websites and landing pages
 - Mobile and desktop applications
 - UI/UX design projects
 - Social media content
 - Digital advertisements
 - Marketing campaigns
 - Presentations
 - Printed promotional materials
 - Client projects
 - Educational materials
 - Commercial branding
 - Software interfaces
 - Product packaging
 - Video productions
 - Motion graphics
-

Restrictions

Unless expressly permitted, you may not:

- Sell, redistribute, sublicense, or share the original files.
- Upload the original assets to marketplaces, stock websites, template libraries, or file-sharing platforms.
- Claim ownership or authorship of any ZenOps Studio resource.
- Make the resource available as a standalone downloadable product.
- Include the resource in competing asset collections.
- Use the resource in any unlawful, fraudulent, misleading, defamatory, discriminatory, or harmful manner.
- Remove copyright, trademark, or proprietary notices where applicable.

Any rights not expressly granted remain reserved by ZenOps Studio.

Intellectual Property

All intellectual property rights, copyrights, trademarks, and ownership of the original resources remain the exclusive property of ZenOps Studio and/or the respective creator.

A license grants permission to use the resource — it does not transfer ownership.

Attribution

If your download requires attribution, an acceptable credit is:

Designed by ZenOps Studio — <https://zenops.studio>

Where hyperlinks are not supported, a visible text credit identifying ZenOps Studio is sufficient.

Support & Updates

Product updates, bug fixes, revised files, and future improvements may be made available at the sole discretion of ZenOps Studio.

Availability of updates may depend on the license purchased and the product type.

Disclaimer

All resources are provided "as is" without warranties of any kind, whether express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, non-infringement, or uninterrupted availability.

ZenOps Studio shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising from the use or inability to use any resource, even if advised of the possibility of such damages.

Users are responsible for ensuring that downloaded resources are suitable for their intended purpose and comply with applicable laws, regulations, and third-party rights.

Changes to the License

ZenOps Studio reserves the right to modify or update its licensing terms, policies, and documentation at any time.

The version of the license in effect at the time of download or purchase generally governs your use unless otherwise required by law.
